

CAMPOBELLO DI LICATA

MAP 2019

CHURCHES

- Chiesa Addolorata**
Private chapel of the old La Lomia family, particularly rich of marbles and sculptures, it is now waiting to be restored.
- Chiesa BMV Immacolata**
The peculiar building is characterized by an unusual shell shape and some very coloured glass windows illustrating gospels.
- Chiesa BMV di Lourdes**
It has a very modern style and stands out because of a scenical cave inspired to Lourdes one.
- Chiesa Gesù e Maria**
One of the most ancient churches in town, with its old wooden ceiling and a wonderful red marble floor. Recently also the crypt has become accessible.
- Chiesa Madre**
Many Holy Helper sanctuary is dedicated also to St. John the Baptist, patron of the town, and it's destination of pilgrimages since the foundation.
- Chiesa Purgatorio**
The tiny structure has no bell tower and it was built in 1800. Recently restored, this church has been also a film location.
- Chiesa San Giuseppe**
The magnificent high altar enriches this church interior, with its plaster case and several artistic paintings.

PARKS

- Parco della Divina Commedia**
The Painted Stones Valley is located into an ancient stone cave. It develops through an ascensional path where stand 110 travertine monoliths painted with Divine Comedy's characters.

SQUARES

- Piazza Aldo Moro**
This pretty space is composed by various granites and travertines but the most precious ornaments is the beautiful Fountain of the Girls: perfect combination of marbles, stones and bronze.
- Piazza Berlinguer**
Meeting point for kids and elders, thanks to tiny soccer fields and bowls fields, it's recognizable for the exciting monolith dedicated to the charismatic Italian political leader.
- Piazza della Vittoria**
One of the most modern squares in town. Thanks to the wide open space and thanks to its numerous gazebos it takes life during the summer.
- Piazza Martiri di Modena**
A real living room in open space surrounded with a lush vegetation and enriched with the impressive boulders painted by Silvio Benedetto.
- Piazza Tien An Men**
This square is dedicated to the work of men, and it's enriched with several monuments inspired by traditional crafts of the old economy.
- Piazza XX Settembre**
It's always been fulcrum of social, political and religious life of the town. It's marble and travertine flooring represents the style of the nineteenth-century Baroque.
- Piazza XXV Aprile**
Arranged on two levels it's adorned by spectacular multicolour mosaics and peculiar marble masks.

SPORT

- Sport Fields**
The structure hosts numerous football, soccer, tennis and bowls, provides various services and even a refreshment point.

MONUMENTS

- Municipal Library**
The magnificent high altar enriches this church interior, with its plaster case and several artistic paintings.
- Cimitero**
On the inside of its walls you can find works created by famous sculptors Benedetto Delisi and Francesco Messina, wellknown throughout Sicily during nineteenth century.
- City Hall**
Its wonderful facade is enriched with six murals inspired by popular traditions and painted by the artist Silvio Benedetto.
- Fountain Canale**
This ancient watering place was built in 1650 and is the most representative and wellknown monument of this town.
- Edison Children's School**
The cheerful murals of "The Hundred Children", decorating the external walls of the building, welcome the newcomers in town.
- Trittico delle Tre Porte**
The three sides of this relatively new obelisk are lovely sculpted and represent allegorical images inspired to the story of the town.
